

SABPP-14th-Board-Leadership-Announcement

The SABPP recently finalised the new 14th Board election and appointment process. The new Board took charge of SABPP affairs from the 19th of November 2021 for a three (3) year term ending on the 18th of November 2024. This is an opportune time for the new Board to be taking over the reins with full context and foresight to dealing with the remnants of COVID-19 and re-imagining life beyond COVID. As the global and South African economies strive towards recovery, institutions such as the SABPP are vital in professional advice to our members and the entire HR professionals across all sectors on how to navigate the new world of work.

The new Board members are influential and passionate HR professionals representing all segments of our members and they are ready to guide the strategy and direction of SABPP. At their first sitting, they elected the top 3 office bearers (Chairperson and the two Vice Chairpersons).

The three above together with the CEO will form the Board Executive responsible for the oversight of SABPP affairs in between Board meetings with full accountability to the main Board

We sincerely congratulate the new 14th Board leadership, indeed the future looks brighter for SABPP and the HR profession.

The following Committee Chairpersons were also finalised by the Board:

The Board will soon announce two additional Board members to be co-opted based on Specialised skills.

May I use this opportunity to sincerely thank the outgoing Board for their sterling leadership during the most difficult period in SABPP's history. We will forever be grateful for their commitment and guidance. I know they will always avail themselves for any call of duty in the interest of the HR profession.

In the next 6 months, we will conduct elections in all our Provincial and National committees as per governance. I call upon all members to consider participating in any of our committees to share their knowledge or even to learn.

If you would like to meet any of our Board members, committee members and staff, be sure to join us at our next Annual General Meeting (AGM) on the 21st of April 2022. Until then, keep the ideas and suggestions coming on what direction you want SABPP to take now and in the near future, this will be input for the strategy session of the new board.

The future of the HR Profession is in our hands. Thank you for electing the 14th, Board. Fortunately, I know they will be successful because of your support.

SABPP regards
Xolani Nwande
SABPP CEO
