

SABPP 2024 AWARD WINNERS

On the 5th September 2024, SABPP hosted the 11th Annual People Factor Conference at The Capital Empire. This successful event was attended by more than 100 professionals from our continent and all over the world.

To all the delegates who attended this event, we thank you for contributing to the success of the event and sustainability of SABPP and the country at large. We look forward to hosting you in our upcoming events. Here is to *"Making HR great...again"*.

The conference was followed by a prestigious gala dinner that included an awards ceremony in honour of all those professionals that went the extra mile for the profession in 2024.

As SABPP, we would like to take this opportunity to celebrate these award winners. The awards focused on recognising the outstanding work and innovation aligned to the standards of good people practice by organisations and individuals to successfully optimise their HR function. This was done through their commitment to implementing the People Practice and Governance (PPG) Standard.
