Receptionist \ customer  
support

**What were you doing  
before SABPP:**

Classroom training to  
prepare for workplace  
environment

**What do you look forward  
to do differently at**

**SABPP:** My enthusiasm for  
people and customer  
service will allow me to  
bring a better customer  
service to this company and  
make sure that our  
members are always happy  
with the service they are  
given by myself.

My drive and willingness to  
learn will allow me to grab  
as much information as I  
can which will later help me  
do better for the company.

**What do you look forward  
to do differently at  
SABPP:**

I envisage SABPP operating  
at a higher level by  
ensuring that we are up to  
par with global trends, to  
make a difference in the HR  
fraternity and any other  
area where we can remain  
relevant. Ultimately, I want  
to contribute towards giving  
members the optimum best  
of our products and service  
whilst adapting to the new  
world of work and  
exceeding market  
expectations.

**Motto :** I can do all things  
through Christ who  
strengthens me
